

NAME: Anantharamanan Rajamani

INSTITUTION: Rubber Research Institute of India, Kottayam, Kerala

WORK EXPERIENCE:

Since May 2013: Scientist (Bioinformatics) - Rubber Research Institute of India

Oct 2011-April 2013: Senior Bioinformatician - Center for Cellular and Molecular Platform - National Center for Biological Sciences (CCAMP-NCBS), Bangalore, India

Aug 2009- Oct 2011: Bioinformatician - Avesthagen Ltd, Bangalore, India

Oct 2007-July 2009: Junior Scientist - Institute of Computational Biology, Bangalore, India

EDUCATION:

2007: MSc Bioinformatics from Bharathiar University, India

2005: BSc Plant Biology and Biotechnology from Bharathiar University, India

WORK AREAS:

Genome/transcriptome assembly and annotation of eukaryotic genomes

RNA-Seq data analysis for non-model organisms

Micro-array analysis, Proteomics & Chemoinformatics
