

## POSTER PRESENTATION

Poster Number	Name	Title
01	Ashwini Godobole	Nutrition Affects Lifespan and Healthspan of <i>Caenorhabditis elegans</i>
02	Anjaneyulu Jalagam	Evaluation of Mode of Action of Ayurvedic Nootropics Used in The Treatment of Parkinson's Disease, Using <i>Caenorhabditis Elegans</i> As A Model System
03	Anusha Rajagopalan	Scientific Validation of Cheese Prepared from Three Phase Purified <i>W. Tinctoria</i> Proteases
04	Ashutosh Ahire	Chronic Finasteride Administration Induces Cognitive Dysfunction In Rats
05	Avineet Luthra	Prakriti as a Risk Factor for Cerebrovascular Disease
06	Bindu K R	Synthesis, Characterisation and Biological Activities of Metal Nanoparticles Using Plant
07	Binu P	Eugenol, a Phenolic Nutraceutical Enhances Chemoensitivity to Arsenic Trioxide in Human Promyelocytic Leukemia Cells
08	Darshitha R	A Comparative Study On The Extraction and Isolation Of Piperine from <i>Piper nigrum</i>
09	Hitha C	Impact of <i>Araucaria columnaris</i> Extract on Blood Glucose Levels: Regulation of Diabetes mellitus Type 1 in Zebrafish ( <i>Danio rerio</i> )
10	G Inbaraj	Role of Yoga in Modulating Upper Airway Resistance in Patients with Allergic Rhinitis
11	James John	Bioactivity Guided Fractionation and Isolation of <i>Simarouba Glauca</i> Belonging to Family Simaroubaceae
12	Jitendra Kumar	Application of <i>Withania Somnifera</i> Against Immunotoxicity Induced by Zinc Oxide Nanoparticles (ZnO NPs)
13	Kala P Nair	Temporal Lobe Epilepsy-Induced Behavioral Hyperexcitability and Altered Sleep Architecture is Ameliorated by Enriched Environment
14	Kumar S K	Study of Dhanvantram Kashayam for Preventing Post Partum Complications in Cross Bred Cows under Field Conditions in Tirur and Kottakkal, Malappuram of Kerala State
15	Mamatha M	Isolation and Purification of Eugenol from Clove by Column Chromatography
16	P Mohana Kumara	Direct Molecular Analysis of Plant Tissue Sections Imaging By Desorption Electrospray Ionization Mass Spectrometry
17	Naveen P	Preparation and Standardisation of Herbal Capsules for Antiepileptic Activity

18	Nishanth S Gurav	Lesser Known Edible Green Vegetables Sold in The Markets Of Bengaluru City
19	S Noorunnisa Begum	Asoca - An important Medicinal Plant for Women Health
20	Padmika Madushanka Wadanambi	In Silico Screening of Anticancerous Potential of <i>Annona Muricata</i> Phytochemicals (Leaf Extract) Against Tankyrase in Wnt Signaling Pathway
21	Ram Sai Prabhath Thota	Antihyperglycemic and Antioxidant Activities in Mūlaka ( <i>Raphanus sativus</i> Linn.) Juice
22	Raghava Jagadeesh Salaka	Exposure to Enriched Environment Restores Abnormal Hippocampal Synaptic Plasticity in the Temporal Lobe Epilepsy
23	Ranjeetha M	Derivative Spectroscopy of Axitinib and Everolimus in Bulk and Physical Mixture
24	Sarath JS	Health Benefits of Ayurvedic Fumigation With Special Reference To Anti-Microbial Activity
25	Sasibhushana Reddy	Chronic Finasteride Administration Induces Treatment-Resistant Depression in Adult Rats
26	Shridevi Gothe	Immunomodulatory Activity of Swarna Prashana in Wistar Rats- A Comprehensive Study
27	Siju Vikhnan	Effectiveness of <i>Shirodhara</i> in Stress Reduction and Relaxation in Healthy Individuals as Assessed by Heart Rate Variability Parameters
28	Sneha M	Effect of <i>Celastrus paniculatus</i> treatment on the Hippocampal Neuronal Dendritic Arborisation in Chronically Stressed Rats
29	Suchetha M	Studies On Si Particles From <i>Cymbopogon Flexuosus</i> - Role in Herbal Tea
30	Vidyashankar R	Differential Effect of Ayurvedic Formulations of <i>Bacopa monnieri</i>
